Dear Sir/Madam,

Sugarcane Research Institute, RPCAU, Pusa is organizing a **National Level Training Programme on "INTERCROPPING OF PULSES WITH SUGARCANE"** under National Food Security Mission (NFSM) financed by the Directorate of Sugarcane Development, Ministry of Agriculture & Farmers Welfare (Department of Agriculture, Cooperation & Farmers Welfare), Govt. of India, Lucknow during 20-21 March, 2020 at SRI, RPCAU, Pusa. The course is open for the Subject Matter Specialists, Officers working in the state Department of Agriculture, Scientists from state Agricultural Universities/ICAR and Cane Development Officers from the Sugar factories. This training programme has been designed with objectives to appraise and update knowledge of trainees regarding Agrotechniques on intercropping of pulses with sugarcane to enhance the farmer's income. Duration of the training will be for two days.

You are therefore, requested to nominate one or two persons from your department/organization for attending the above training programme. The lodging and boarding expenses during the training period will be borne by this institute. The information regarding training details is enclosed herewith for your information and needful action. The participant needs to submit the duly filled proforma enclosed herewith before 15<sup>th</sup> March, 2020 positively to this organization. We solicit your co-operation in future.

With best regards.

Yours sincerely
