EOI Document

1. **Objectives and scope of the requirement:** The broad objectives of the EOI are to design, develop, host and maintain the University website. Detailed objectives are:
   
   I. Designing of University website as per current requirement including e-commerce portal.

   II. To integrate easy to use content management system for easily managing overall content of the website.

   III. To develop role based access management system to provide secured, restricted access to different stake holders.

   IV. To provide information to visitors with minimum number of clicks.

   V. To make it easy to use for visitors by providing latest updates, important events on the home page itself and by providing within Site Search feature.

   VI. To structure content of the website in order to make it disabled friendly so that the available information is easily accessible to people with disability.

   VII. To make site accessible on all platforms like all major browsers (e.g. internet explorer, Mozilla Firefox, Google chrome), disabled specific devices, Mobile devices, etc.;

   VIII. To ensure compliance with “Guidelines for Indian Government Websites (GIGW)”.

   IX. To develop Bi-lingual Website with English & Hindi Version and to ensure that Hindi content is universally accessible by using Unicode compliant font.

   X. To get Safe to Host Certificate from cert-in empanelled auditor.

   XI. To get GIGW Compliance Audit Certificate from Standardization Testing and Quality Certification (STQC) Directorate.

   XII. The domain of the website will be the same that is being currently used by the University for hosting the current official website (www.rpcau.ac.in). Current website will be live/accessible for minimum of 1 year from the date of go-live of new website

   XIII. Firm shall provide basic training, free of charge for end users, whenever required to do so by the University.

   XIV. The Firm will maintain and host the website for the contract period (minimum 3 years).

   XV. The bidder shall have to guarantee continuous uninterrupted availability of the website and should achieve minimum 99.5% uptime across 365*24*7 calculated on monthly basis.
2. **Instruction to bidders:** This is two stage bidding system. Initially the competent firms/agencies will be shortlisted on the basis of eligibility criteria and power point presentation before the University officials. During PPT presentation there will be wide technical discussion about the technical and financial aspects for designing, development, hosting and maintenance of university website in order, to have technical specifications of the project laid down, quality benchmark, and delivery milestones etc to full fill the objectives of transparent procurement.

In second stage of bidding, the bid will be invited from at least three shortlisted firms with well-developed Bid having Technical Bid and Financial Bid based on the technical discussion during PPT presentation. For better transparency open tender may be invited depending upon the numbers of shortlisted firm during EOI.

The interested firm/bidders can go through the existing Website (https://www.rpcau.ac.in) and estimate the variety and quantum of information that needs to be available on the website. They can also make suggestions for presentation of more information on the website which is not yet on the website at the time of making presentations, which will form part of the technical bid.

3. **Format for submission:** The interested bidders will be required to submit detailed technical vision document of the proposed software development and related hardware at the time of PPT presentation.

4. **Eligibility Criteria**:
