A Regular Day at

SABRM

06:00 AM YOGA MEET

A perfect routine to start our day! Here, we go collecting yoga mat and rushing to the Saraswati Garden for cultivating mindfulness. God' don't want to late today, last night assignment took it deep, nevertheless I am here.

NAMASTE SABRM 08:00 AM

Oh! Who's turn is it to greet today, every day positive thoughts are vital to go through the management day in the college. Lord, how many assignments we have to address today, hey! Did you forward agenda of club activities this week? What about Corporate dialogue series this Saturday?

09:30 AM CLASSES

Let me grab a bite of 'Nasta' before I could reach to the college. Oh, it's a long walk every day. Where is my notes book? If anyone has took it better to return because I have personal records there. Don't tell me I forgot it with my pillow last night. Role play class activity on 'co-selling' was quite fun today. Kudos to that otherwise I was about to nap. Guys, don't forget the live project tussle.

LUNCH 01:30 PM

Oh, luck was with me today, could get through the day but need to pull up socks for covering up assignments and lectures. Where is my yummy food? Why don't we grab a bite at canteen? That marketing project is taking a bit long, need to get that done before dawn.

06:00 PM PLEASANT EVENING

Ah, a long day calls for break now, let's rush to 'Student Plaza.' "Bhaiya, give me meri wali chai"& don't worry bhaiya, we are finalizing your revenue streams this weekend in our live project. Hey, where are you going with that birthday cake! Wao, birthday celebration at green park.

DINNERMANIA 08:00 PM

I never knew economy is so circular. Why Zuckerberg is hardly in formal and I am wearing formal every day? Clock is ticking, let's get back to base camp for bracing to the late-night battlefield. What about finalizing the hashtags for social media post? Haven't u heard that soon we are going to get our Fresher's party...

10:00 PM BATTLEFIELD

Ah, why this google classroom always reminds me of the case studies? Come on, where is my group to discuss the case. They always play carrom. What's Kotler saying about it? Shh, let me whisper through ChatGPT. Wao, good to see creative PPT templates, would be making exciting presentation tomorrow.

APNA TIME 12:00 AM

Let's catch up latest release over OTT. Mission is always possible with Tom Cruise. Hey, have you checked out this viral video on insta! Lemme tune up the guitar for a jamming session. Come on rockstars let's make this one!

01:00 AM DREAMWORLD

Tomorrow seems occupied, Thank God I have covered the work, wait! What is the progress on TEDx event next month? We have a meeting tomorrow. Can't take it more, time to jump into my dream land. Need a visit to Himalaya for.... ZZZ...

Testimonial

Saran

★★★★★

“ My favourite part of Alfaz was the traditional theme where I got to interact with students from other departments showcasing their talents. It felt like an amalgamation of different cultures. ”

★★★★★

Devyani

“ Intra- University event providing a great opportunity for the gems to perform their pieces and show their talent and interest. Many more such events need to be organised to enhance students confidence and public speaking skills. ”

Ishita

★★★★★

“ It was a great experience and opportunity for me to showcase my idea in this platform these programs should continue in future ”

★★★★★

Puja

“ Club activities of our college is not just innovative but also interesting as we have wide varieties of activities in which students enjoy and explore various dynamics of intelligence, talents and entertainment. ”

Priyanshu

★★★★★

“ For me club activities are the most fun part of bring in SAB & RM it makes our day so interactive. ”
